

Conference Support

- Please mute all microphones.
- If the power quality is poor, disable the video function and the sound quality will improve.
- Please keep the chat function open all the time. You can ask questions via chat.
- If you wish to speak in plenary, please use the hand icon. The moderator then will give you the floor.
- Please avoid speaking at the same time.
- Please do not use the chat for private conversations; key points are going to be recorded there for the minutes.
- Please give all a short message into the chat, it serves as proof of your participation for the National Agency.
- If you agree, we can make a screen shot with all participants.

Thank you!
